## § 200.8 Schoolwide program requirements.

(a) *General.* (1) An eligible school, in consultation with its LEA, may use funds or services under this subpart, in combination with other Federal, State, and local funds it receives, to upgrade the entire educational program in the school to support systemic reform in accordance with the provisions of this section.

(2)(i) Except as provided in paragraph (a)(2)(ii) of this section, a school may not start a new schoolwide program until the SEA provides written information to each LEA that the SEA has established a statewide system of support and improvement.

(ii) If a school desires to start a schoolwide program prior to the establishment of a statewide system of support and improvement, the school shall demonstrate to the LEA that the school has received high-quality technical assistance and support from other providers of assistance.

(b) *Eligibility for a schoolwide program.* A school may operate a schoolwide program if—

(1) The LEA determines that the school serves a participating attendance area or is a participating school under section 1113 of the Act; and

(2)(i) For the initial year of the schoolwide program, the school meets either of the following criteria:

(A) For the 1995–1996 school year—

(1) The school serves a school attendance area in which not less than 60 percent of the children are from low-income families; or

(2) Not less than 60 percent of the children enrolled in the school are from low-income families.

(B) For the 1996–1997 school year and subsequent years, the percentages of children from low-income families in paragraph (b)(2)(i)(A) may not be less than 50 percent.

(ii) The LEA may choose to determine the percentage of children from low-income families under paragraph (b)(2)(i) based on a measure of poverty that is different from the poverty measure or measures used by the LEA to identify and rank school attendance areas for eligibility and participation under this subpart.

(c) *Availability of other Federal funds.*

(1) In addition to funds under this subpart, a school may use in its schoolwide program Federal funds under any program administered by the Secretary that is included in the most recent notice published by the Secretary in the FEDERAL REGISTER or is addressed in paragraph (c)(3)(ii)(B)(3) of this section.

(2) For the purposes of this section, the authority to combine funds from other Federal programs also applies to services provided to a school with those funds.

(3)(i) Except as provided in paragraph (c)(3)(ii) of this section, a school that combines funds from any other Federal program administered by the Secretary in a schoolwide program—

(A) Is not required to meet the statutory or regulatory requirements of that program applicable at the school level; but

(B) Shall meet the intent and purposes of that program to ensure that

the needs of the intended beneficiaries of that program are addressed.

(ii)(A) An LEA or a school that chooses to use funds from other programs shall not be relieved of statutory and regulatory requirements applicable to those programs relating to—

(i) In consultation with parents of migratory children or organizations representing those parents, or both, first address the identified needs of migratory children that result from the effects of their migratory lifestyle or are needed to permit migratory children to participate effectively in school; and

(ii) Document that services to address those needs have been provided.

(2) *Indian education.* A school may combine funds received under subpart 1 of part A of title IX of the Act in its schoolwide program if the parent committee established by the LEA under section 9114(c)(4) of the Act approves the inclusion of those funds.

(iii) This paragraph does not relieve—

(A) An LEA from complying with all requirements that do not affect the operation of a schoolwide program; or

(B) A non-schoolwide program school from complying with all applicable requirements.

(3) *Special Education.* (i) A school may combine funds received under Part B of

(ii) A school may also combine funds received under section 8003(d) of the Act (Impact Aid funds for children with disabilities) in a schoolwide program.

(iii) A school that combines funds under Part B of IDEA or section 8003(d) of the Act in its schoolwide program may use those funds for any activities under its schoolwide program plan but shall comply with all other requirements of Part B of IDEA, to the same extent it would if it did not combine funds under Part B of IDEA or section 8003(d) of the Act in schoolwide program.

(2) What the parents can do to help the student improve the student's performance; and

(ii) This provision does not—

(B) Relieve the school or LEA from the requirement under the IDEA to develop IEPs for students with disabilities.
